FEES:

1. The semen will be shipped fresh chilled in a disposable shipping container. Collection fees of \$200 per collection + postage are due prior to shipment of the semen. Providing a credit card and/or Fedex account number ahead of time significantly helps us get the collection out faster.
2. This contract is live foal guarantee (foal is standing and nursing at 48 hours) with a return for the following breeding season 2012. A report is due at the end of the breeding season. Prior permission from Majestic Gaits must be given before substitution of another Mare. A report is due no later than August 31, 2011 on whether the mare is in foal or not. This report must be sent to Majestic Gaits so the Live Foal Guarantee and return breeding can be honored.
3. If the Stallion becomes unavailable for breeding within the 2 breeding years of this contract, frozen semen will be provided 1 dose per cycle up to 3 doses or the breeder may choose to switch to another stallion standing at Majestic Gaits.
4. A nonrefundable booking fee of \$300 is due with the signing of this contract. This fee is included in the stallion stud fee.
5. The full stallion stud fee of \$1450 must be received before any semen will be sent.
6. Shipping costs via Federal Express will be charged to the Buyer. A credit card or Federal Express account should be provided to cover these costs. We prefer a Federal Express number as this enables us to book online and email you the tracking number.

EMBRYO TRANSFER:

7. When using mare for embryo transfer, if more than one embryo is harvested an additional stud fee is due to Majestic Gaits for each individual successful pregnancy.

COLLECTION SCHEDULE:

8. Semen is planned to be collected Monday- Saturday on request from March 1-August 10, 2011. We will try to accommodate the breeder if possible. The Buyer must contact Majestic Gaits the day before to guarantee shipment. The Buyer should keep Majestic Gaits informed of the progress of the heat cycle of their mare. This will help Majestic Gaits ensure we will have semen ready for your Mare when needed. Majestic Gaits will try to accommodate requests for semen on non planned collection days and outside the season as much as possible. A show schedule will be published during breeding season on the website www.majesticgaits.com
9. The Buyer will insure that the Mare is in sound breeding condition. Barren, non maiden mares should have a culture and possibly a uterine biopsy to insure the Mare is in good condition for breeding. Results of these tests will be submitted to Majestic Gaits. The Mare will receive Rhinopneumonitis (equine herpes type 1) immunizations at 5, 7 & 9 months of pregnancy or the live foal guarantee will not be honored. Mares should be dewormed regularly.

ASSIGNMENT:

10. This Contract may not be transferred to another Buyer unless the original Mare is sold.

Law

The terms of this Agreement shall be governed by the laws of the State of New Hampshire.
