Conditions:

This contract covers each purchase of a Frozen Semen by dose. Each dose will contain the correct amount of straws required for each breeding dose. The number of straws required is provided to you when your Frozen Semen is shipped to you.

The frozen semen has been tested and is EVA negative.

The Buyer should insure that the Sambertino Frozen Semen is available with Majestic Gaits at the time of order.

The Frozen Semen will be shipped in a Liquid Nitrogen "Dry Shipper". \$275 is due from the Buyer to Peterson & Smith to cover their costs and return of the shipper. Majestic Gaits will provide all information to Peterson & Smith to facilitate shipping.

No Frozen Semen will be shipped until all fees are paid.

You will need to arrange for liquid nitrogen storage for your semen when it arrives. If you do not have a Liquid Nitrogen Storage Tank of your own, often your vet will have one or know of one. You should ask if they charge you for storage of the semen. You must transfer the semen immediately from the Dry Shipper into a Liquid Nitrogen Storage Tank and return the dry shipper per the instructions provided with the Dry Shipper.

We recommend that you breed the frozen semen within 4-6 hours post ovulation. The closer you get to ovulation, the better your chance is to getting your mare in foal. Post ovulation ensures that you do not have to use more than 1 dose per heat cycle. Majestic Gaits suggest that your veterinarian do a breeding soundness exam on your mare before you decide to breed your mare. A culture and biopsy should be done prior to breeding (as recommended by your vet) to insure that the mare is clean and is in good condition for breeding. This will save you money by taking these tests and ultimately reduce your veterinarian and semen costs. Your breeding veterinarian can advise you the best.

Switching to Fresh Semen (OPTION):

See the Fresh and Frozen Semen Backup Contracts available at www.majesticgaits.com or by contacting Majestic Gaits directly.

ASSIGNMENT:

1. This Contract may not be transferred to another Buyer unless the original Mare is sold.
