FROZEN INSEMINATION REPORT

Veterinarian: **Please fill out the following after each insemination** of VDL frozen semen. Place this form and the empty straws in the envelope provided and return to Majestic Gaits. **Return of the empty straws is required** to be put in the mail by the next business day after insemination, per the contract. Alternative you may email this form with a picture of the empty straws clearly showing the stallion name and collection date.

Thank you for the information. This will help us provide statistic for our breeders and track breeding.
